ACCENT FURNITURE

W23074

This waterfall bench brings a sculptural softness to any space, blending clean lines with inviting texture. Fully upholstered with a rich dimensional fabric woven with layered green tones and subtle tan accents, offering depth and warmth without overwhelming the room. The continuous, rounded silhouette creates a seamless flow from top to base, giving the piece a modern yet approachable presence. Perfect at the end of a bed, in an entryway, or tucked beneath a console, it adds both function and a nature-inspired palette to your interior.
